BOYD WORKS FOR NORTH FLORIDA COMMUNITIES

Administration's budget slashes funding for rural America

WASHINGTON, D.C.-Congressman Allen Boyd (D-North Florida) today criticized the Administration's 2006 budget.

"The Administration's budget cuts back on programs that help our communities meet their most pressing needs," Boyd said.

The President's budget also decreases funding for water and waste grants by approximately 21 percent.

"Throughout North Florida, there is significant demand for water and wastewater treatment expansion and maintenance," Boyd said.
